

Item No. 90666

Hygienic Bath Chair

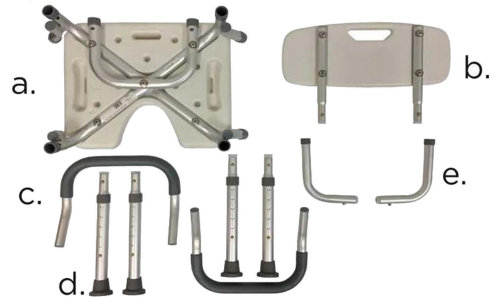

HOW TO ASSEMBLE YOUR Hygienic Bath Chair with Back and Arms

Capacity not to exceed 135Kg

Remove all parts from box:
(Be sure all parts are included before assembling)

- a. (1) Seat
- b. (1) Backrest
- c. (2) Arms
- d. (4) Legs
- e. (2) L-shaped back tubes

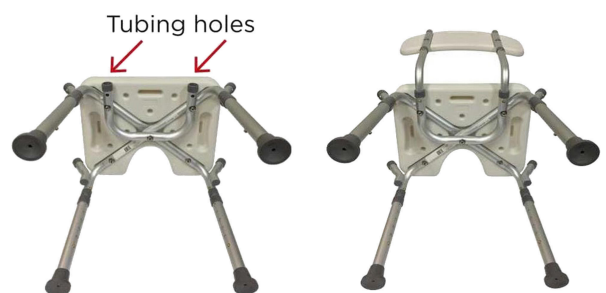

Place the seat face down on a level surface. Insert the four legs into the frame. Depress the brass button and push the tube in until the button “clicks” and locks into position.

Insert the L-shaped back tubes into the backrest tubes until the brass button “clicks” into locked position.

Turn the chair on its side so that the tubing holes are facing upward. Insert backrest into tubing holes until the brass buttons “click” and lock into position.

Place the chair upright so that it is resting evenly on all four legs and insert the arms into the frame. Depress both brass buttons and push down until the brass buttons “click” and lock into position. Repeat this step for the opposite arm. (Note: Arms should curve inwards towards each other)

Use the push buttons and numbered holes to adjust the stool to the desired seat height. Be sure the Bath Seat is level, stable and all push buttons fully engaged before using.

WARRANTY INFORMATION

..... stands firm on our commitment to providing the highest quality products, as well as exceptional service. This product was built to precise standards and thoroughly inspected prior to shipment. This warranty represents our confidence in the materials and workmanship of our product.

..... extends this warranty only to the original purchaser of this product. The warranty does not extend to any subsequent purchaser or owner.
